GENERAL INFORMATION ON PETITIONS

(<http://www.elections.ny.gov/RunningOffice.html>)

NOTE: The information contained here is intended to provide general guidance for those who are preparing to circulate petitions, and is not to be used as a substitute for consulting the Election Law for specific petition requirements.

Persons wishing to run for elective office may be nominated either by a political party or through the filing of an independent nominating petition. Party members may also circulate petitions to create the opportunity to write in the name of an unspecified person for an office in which there is no contest for the party endorsement. The current political parties are the Democratic, Republican, Conservative, Working Families, Independence, Green, Women's Equality and Reform parties. Any person who is not nominated by one of these parties must file an independent nominating petition. The requirements for all petitions are contained in Article 6 of the Election Law. The provisions for village elections vary slightly, and the reader is directed to Article 15 of the Election Law for specifics.

Running for Office

Party Nominations

Party nomination of candidates for elective office is made at either a party caucus or at a primary election.

Caucuses

A caucus is an open meeting of a town or village's political party at which candidates are nominated for elective office. Only residents of the town or village who are enrolled members of the party may participate in the caucus. For further information on caucuses see, Election Law §6-108 (towns) and §15-108 (villages).

Designating Petitions

If a party nominates its candidates through the primary election process, party designations for this primary are made on a designating petition. The Election Law sets forth the form of this petition; §6-132 (state, county and town offices) and §15-108 (village offices). Only enrolled members of a party qualified to vote for an office may sign designating petitions of the party.

Nomination of Non-Party Member

Political parties may nominate a candidate who is not an enrolled member of the political party. Such parties must file a certificate of authorization, signed and acknowledged by the presiding officer and the secretary of the meeting at which such authorization is given. A certificate of authorization is not needed for nominations resulting from a caucus or for a candidate for a judicial office.

GENERAL INFORMATION ON PETITIONS

(<http://www.elections.ny.gov/RunningOffice.html>)

Independent Nominations

To run for office on a line other than an official party line, one must file an independent nominating petition. The Election Law sets forth the form of this petition; §6-140 (state, county and town offices) and §15-108 (village offices). Any registered voter who has not already signed a designating petition, and who is qualified to vote for an office, may sign an independent nominating petition for that office. For Village offices if you participated in a caucus, you cannot sign an independent nominating petition.

Form of Petitions

The statute requires that all petitions be **substantially** in the form set forth in the law. See, Election Law §6-132 (party designating petitions), §6-140 (independent nominating petitions) and §15-108 (village designating and independent petitions). Deviations or slight rearrangements of the form of petition are not fatal defects, provided that the petition contains all of the required information.

Each sheet of the petition must correctly set forth:

- the date of the election;
- the name of the candidate and the office or position sought;
- the candidate's residence, and if different, their mailing or post office address;
- information about the signer: date of signing, voter's residence address, town or city and
- information relating to the person who witnesses the signatures.

A petition may include a committee on vacancies. Failure to provide such a committee, or naming a committee of fewer than three persons, will not invalidate the petition.

The voter need only sign the appropriate line on the petition sheet. All other information may be filled in by someone else. Corrections may be made to any information on the signature line. However, corrections or alterations in the date or the signature **MUST** be initialed by the person making the correction.

Voters may not sign a petition for more candidates than there are openings for an office. For example, if there is one council seat open, then the voter may only sign one petition for a candidate for that office. If there are 2 seats open, the voter may sign petitions for 2 candidates.

The pages of a petition must be sequentially numbered and securely fastened.

GENERAL INFORMATION ON PETITIONS

(<http://www.elections.ny.gov/RunningOffice.html>)

Witnesses to a Petition

The information required for the witness statement is mandatory. Omissions, errors, or unexplained alterations/corrections, may invalidate the entire page. When the witness signs the statement of witness, they are making an oath that subjects them to the penalties for perjury if any of the information preceding their signature is false. The information preceding the signature includes the name and residence of the witness; the number of signatures on the page; a statement that each person signed in their presence; and the date they are signing the statement. Witness identification information, which follows the witness's signature, may be provided by anyone, at any time before the petition is filed. This information includes the town or city; and the county of the witness's registration.

- enrolled in the same party as the persons qualified to sign the designating petition, and
- has not previously signed any petition for another candidate for the same office.
- a Notary Public or Commissioner of Deeds.

Cover Sheets

If there are 10 or more pages in a petition, there must be a cover sheet. In New York City, and in other counties where identification numbers are used, only one cover sheet is required, regardless of the number of volumes in the petition. In all other instances, a multi-volume petition requires a cover sheet for each volume.

Cover sheets **must** contain the following information:

- Name, residence address, and mailing address if different, of the candidate.
- The public office or party position sought.
- The name of the party or independent body making the nomination.
- A statement that the petition contains a number of signatures equal to or in excess of the number required by statute.
- The volume number OR identification number of that volume.
- The total number of volumes in each petition OR the identification number for each volume of the petition.

The following information is **optional**:

- The name, residence address, (and mailing address if different) telephone number, and facsimile number of the person designated to receive notice of deficiencies in binding or cover sheet requirements.

There are additional requirements if the petition contains candidates for county committee, and if there are different candidates on the several pages of the petition. Those requirements are contained in Part 6215 of the rules and regulations of the State Board of Elections.

Pursuant to Part 6215 of the rules and regulations of the State Board of Elections, the Board will provide notice of any correctable errors in cover sheet(s) and binding.

Filing of Petitions, Acceptances, Authorizations and Declinations

All filings must be filed timely (See the Political Calendar) and in the proper manner at the appropriate board of elections. Pursuant to section 1-106(1) of the New York State Election Law, all papers are required to be filed between the hours of nine A.M. and five P.M. If the last day for filing shall fall on a Saturday, Sunday or legal holiday, the next business day shall become the last day for filing. All papers sent by mail in an envelope postmarked prior to midnight of the last day of filing shall be deemed timely filed and accepted for filing when received, **except** any documents that are required to be filed with the board of elections of the city of New York must be actually received by such city board of elections on or before midnight of the last day to file any such document. Failure to do so shall be a fatal defect.

No filings will be accepted by facsimile or e-mail.

GENERAL INFORMATION ON PETITIONS

(<http://www.elections.ny.gov/RunningOffice.html>)

Candidates must file a certificate of acceptance for nominations made by independent nominating petitions, or if they are named in a designating petition but are not enrolled members of that party. Neither an authorization nor an acceptance is required if the individual is a candidate for a judicial office. A declination must be filed should the candidate decide not to accept the designation or nomination.

Objections

Every petition is presumed to be valid when filed, if, on its face, it appears to be in proper form and to contain enough signatures. However, a registered voter may challenge the validity of a petition. Written objections must be filed within 3 days after the petition is filed (1 day in a village election). Specifications of objections must be filed within 6 days of filing the general objections (2 days in a village election). For petitions filed with the State Board of Elections, objectors must deliver a copy of the specifications of objections to the candidate and file proof of such delivery with the State Board. For further details see Election Law §6-154 and §15-108 and Part 6204 of the rules and regulations of the State Board of Elections.

CAMPAIGN FINANCE FREQUENTLY ASKED QUESTIONS

Registering

Q. Who must file a financial filing?

A. **ALL** candidates or committees **MUST** file a financial disclosure report.

Q. How do I register as a candidate or committee?

- A.
1. Authorized single candidate/committee raising or spending or expecting to raise or spend **more than \$1000** in a calendar year:
 - Register with your local Board of Elections **AND** with the State Board of Elections (NYSBOE);
 - Submit CF-02, CF-03, CF-16 (no CF-04 required);
 - NYSBOE will send you a Filer ID# and PIN.

2. Authorized single candidate/committee raising or spending or expecting to raise or spend **\$1000 or less** in a calendar year:
 - Register with your local Board of Elections;
 - Submit CF-02, CF-03, CF-16 (no CF-04 required).

Local Candidates/committees who register and file campaign financial disclosure reports with NYSBOE are still obligated to satisfy any registration requirements with their local Board of Elections.

3. State or Local Candidate *without* an Authorized Committee - the CF-04 Form should only be used by candidates to register with NYSBOE to obtain a Filer ID# and PIN or to register with a local board of elections in one of two circumstances:
 - The candidate does not have a registered authorized committee (e.g. "Friends of Jane Smith") and is therefore required to personally disclose all the financial activity of the campaign, including any use of his/her money.
 - The candidate has a registered authorized committee, but chooses to have financial activity for the campaign that will not be disclosed by the authorized committee.

The applicable forms must be submitted by:

- A treasurer of a political committee; or
- A candidate with a registered authorized committee that would disclose all of the financial activity of the candidate's campaign including all of the financial activity of the candidate; or
- A candidate who does **not** have a registered authorized committee that would disclose all of the financial activity of the candidate's campaign, including the financial activity of the candidate; or
- A candidate who has a registered authorized committee, but chooses to have financial activity for the campaign that will not be disclosed by the authorized committee.

Note: Certain banks and credit unions may require a Federal ID number in order to open an account. This is an IRS requirement, and not required by Election Law.

Filing Itemized Reports Electronically

Q. How do I file reports electronically with NYSBOE?

- A.** Electronic filings may be submitted to NYSBOE by downloading the most recent version of NYSBOE's EFS software and preparing reports:
1. Go to the NYSBOE website at www.elections.ny.gov;
 2. Click [Campaign Finance] then [File Disclosure Reports];
 3. Click on the applicable Version 5.1 of NYSBOE Electronic Filing System Software;
 4. Double Click the [Electronic Filing Program icon] created on your desktop after downloading;
 5. Create a campaign financial disclosure report;
 6. Print and save the report;
 7. Submit reports to NYSBOE (via email attachment or mailing a diskette, CD or DVD); and
 8. Verify report for receipt and accuracy via the website www.elections.ny.gov.

Filing Non-Itemized Reports from the NYSBOE Website

Q. No-Activity Report – If I have not had any campaign activity during a report period, do I need to file a report? If so, what and how do I file?

- A.** Yes, you still have to file. All candidates and/or registered committees are required to file January and July periodic reports until termination. Primary, General and Special Election filing requirements are triggered by candidate/committee activity. If the candidate/committee has had no activity during any required reporting period, the candidate/committee is still required to file, in this instance a No-Activity Report. This report can be filed on the NYSBOE website using their Filer ID# and PIN or on paper using the CF-18 report. Note, however, you cannot file a No-Activity Report if you have interest, dividends and bank fees, etc. during the report period.

Q. 24-Hour Notice – Must a 24-Hour Notice be filed when a campaign committee receives a transfer from a party or constituted committee?

- A.** No, 24-Hour Notices are only required for contributions or loans in excess of \$1000. Transfers are not contributions or loans and a 24-Hour Notice is not required.

Tips on Preparing and Reporting Campaign Financial Disclosure Reports

Q. Amending – How do I amend my campaign finance financial disclosure report?

- A. Follow the instructions in the Electronic Filing System 5.1 Quick Reference Guide found at the bottom of the Handbook, Forms & Publications page under Campaign Finance at www.elections.ny.gov – once the changes have been made, resubmit the entire report by email to NYSBOE.

Q. Anonymous Contributions – Can the committee accept contributions from anonymous sources?

- A. No. If a committee accepts an anonymous contribution, it must be reported on the appropriate contribution schedule and then remitted to the Office of the State Comptroller, ATTN: Remittance Control, 110 State St, 2nd Floor, Albany, NY 12236. The memo of the check should indicate "Disposition of Anonymous Contributions to E.L. 14-128".

Q. Bank Fees – Where do I report bank fees?

- A. Bank Fees must be reported as an expense on Schedule F. Make sure the fees are reported in the appropriate reporting period.

Q. "Bounced Checks" - How should a contribution that is returned for insufficient funds, (a "bounced" check) be reported?

- A. The receipt of the check was reported on the appropriate contribution schedule (A, B, or C), which increased the committee's balance. The returned check is then reported on Schedule M, which decreases the committee's balance.

Q. Cash Contribution – Can the committee accept cash contributions?

- A. Yes, however, cash contributions over \$100, in the aggregate for the applicable time period [election cycle for candidate(s); calendar year for party/constituted committees and PACs] are not allowed. The excess over the \$100 aggregate must be refunded and refund must be reported. **Example:** Friends of Jane Dow has three \$40 fundraisers during her four-year election cycle and receives \$40 cash contribution from individual John Q. Public at each of the three fundraisers. The third \$40 contribution brings Mr. Public's aggregate contribution to \$120 which now exceeds the \$100 cash limit. The committee must refund the excess \$20 to Mr. Public and report the refund.

Q. Door Prizes – How should we report door prize contributions?

- A. Items contributed by individuals or businesses must be reported as in-kind (non-monetary) contributions on Schedule D. The value of in-kind contributions must be reported at fair market value. Aggregate contributions (all contributions from one contributor) greater than \$99 must be itemized, reporting contributor's name, address and any other required details.

Q. In-Kind Giving – When I make an in-kind contribution, how do I report it?

- A. If you are making an in-kind contribution, enter the contribution on Schedule F. If it is a contribution that you paid for, enter the purchase amount, which will affect your balance. If

it is gift of service or something of value, enter the contribution on Schedule F with a dollar amount of \$0, which will not affect your balance.

Q. Loans – How are loans reported?

- A. Loans received are reported on Schedule I. Loan repayments are reported on Schedule J and loans forgiven on Schedule K. If a loan is outstanding, it is disclosed in every report on Schedule N, including on the report when the loan was first reported.

Q. Loans – What loan documentation needs to be submitted to NYSBOE?

- A. Documentary evidence of the loan (indebtedness) includes the amount, terms and conditions of the loan (via letter or promissory note). Similar documentation is required to be filed when a loan is forgiven. Include the Filer ID# on all correspondence.

Q. Loans – How do I report loans that are forgiven?

- A. Schedule K is used for resolving outstanding loans or liabilities that the committee is unable to pay off. Report that on Schedule K, and also provide evidence of forgiveness, which is a written statement submitted to NYSBOE. Note: Any outstanding loans as the date of the primary, general or special election or loans that are forgiven are considered contributions and subject to contribution limits. For more specific information please consult the Campaign Finance Handbook.

Q. Negative Balance – How do I correct a negative balance?

- A. In order to correct a negative balance, compare report(s) with the Committee's records, make amendments to the report(s) as necessary, and send the amended report(s) as an email attachment to NYSBOE. The amended report(s) will replace those previously filed.

Q. Non-US Contributions – What if the committee receives a contribution from outside the United States?

- A. Only citizens of the United States, or permanent legal residents (green card holders in permanent status) may contribute to your political campaign. If you have received a contribution from someone who is not a U.S. citizen or permanent legal resident, you must refund that contribution and report the refund. See **refunds**. If the contribution marked as D/Deficient in the review of this filing is actually from a U.S. citizen or permanent legal resident living abroad, you do NOT need to refund the contribution but you need to provide NYSBOE with an explanation relative to that person's legal status.

Q. "Other" as a Purpose Code – When do I have to use the "Explanation" field?

- A. If the purpose code "Other" has been used, the field for "Explanation" must be filled in. When you are so advised, amend your report to include that explanation.

Q. Over-Contribution – What do I do if the committee receives and over-contribution?

- A. Over-contributions must be refunded. All committees have receiving limits. Limits for State offices are available on the NYSBOE website; and local committees receiving limits are available from your County Board of Elections. Report the refund of the over-contribution on Schedule M.

Q. Over-Contribution – How do I refund a corporate over-contribution?

- A. If you have accepted more than \$5000 from one corporation in the aggregate in the calendar year, the amount over \$5000 must be refunded to that corporation and the amount refunded on Schedule M.

Q. PayPal/Online Payment System – How should contributions using PayPal (or another company where the recipient is charged a fee) be reported?

- A. The total contribution is reported on the applicable schedule (A, B, or C), then the fee charged by PayPal would be reported on Schedule F under "Other" code with explanation (PayPal service charge/transaction fee).

Q. Partnerships, LLPs – How do I report contributions from partnerships (including LLPs)?

- A. Partnerships are reported on Schedule A using the contributor code 'PART'. Partnership contributions that exceed \$2,500 must be attributed to specific partners and be reported on Schedule O.

Q. Personal Use – How do I determine if an expenditure was for Personal Use?

- A. Section 14-130 of the Election Law states that contributions received by a candidate or a political committee may be expended for any lawful purpose. Expenses need to be related to the seeking and/or holding of office. Such funds shall not be converted by any person to a personal use which is unrelated to a political campaign or the holding of a public office or party position.
- Unitemized expenses that are or that total significant amounts, or that are reported on several reports could appear as campaign funds being used for person use.
 - It is important to detail all the expenditures which encompass a reimbursement. When the reimbursement and related expenses are disclosed properly, it can easily be ascertained which expenses correspond to a particular reimbursement. If the reimbursement detail is not provided or reported properly, it could appear campaign funds are being used for person use.

Q. Raffles – How do I refund Raffle contributions?

- A. Per a ruling by the NYS Gaming Commission, political committees are not allowed to conduct raffles. Any monies received through a raffle must be refunded to the participants of the raffle. If the participants are not known, they are deemed anonymous, and as such, any anonymous raffle proceeds must be remitted to the Office of the State Comptroller.

Q. Refunds – How do I handle refunds?

- A. Refunds must be reported on **Schedule M** of the committee's next required filing report. Copies of refunded checks must be provided to NYSBOE in order to resolve the deficiency within the required 30 days **OR**, if the Deficiency letter has been **received within 30 days of an election**, the copy of the refund check must be **received within seven days** to resolve the deficiency.

Q. Reimbursements – How and when do I provide detail on reimbursements?

- A.** You must provide detail whenever you reimburse an individual or when a credit card payment is made. When you are reimbursing a person for non-personal services for something she/he purchased for the campaign or reimbursing for a credit card purchase, you must: 1.) Report the reimbursement **and** 2.) Report the specific expenditures that encompass the reimbursement.

Q. Report Balance – Are there any schedules that do not affect the report balance?

- A.** Schedules K, N, O, R, and D do not affect the balance of the report. These schedules perform a record-keeping function, can serve as a tool for filers and are informational schedules.

Q. Reports on the Web – How do I check my report on the web?

- A.** Any time you submit a report, wait one business day and check the report on the web. Visit the NYSBOE website at elections.ny.gov/CampaignFinance/ViewDisclosureReports. Follow the prompts to query the database. Make sure the report has been received and that it is correct with no negative balance.

Q. Self-funding Candidates – Do I have to report if I am a candidate funding my own campaign?

- A.** Yes. It is the obligation to disclose **all** of the receipts and expenditures of his/her campaign, including their own money (Election Law 14-101(1)). Once a candidate exceeds the \$1000 threshold in the aggregate receipts or expenditures for a campaign he or she must begin to file itemized reports commencing with the reporting period when the threshold is crossed. The initial itemized report filed must contain an itemization of all the receipts and expenditures.

Q. Signatures – Can NYSBOE accept copies or facsimiles of signatures on registration or other forms?

- A.** No, original signatures are required. Copies of signatures, including those on faxes, PDFs, or other electronic files are not acceptable.

Q. Subcontractors – What do I do if my contractor hires a sub?

- A.** Schedule O is also used to provide additional information about subcontractor payments. When a payment is made to a contractor is reported on Schedule F, provide details of any subcontractor on Schedule O for a subcontracted amount greater than \$10,000 for statewide candidates and \$5000 for all others.

Q. Transfers – Which committees are eligible to use transfer schedules?

- A.** Single Authorized Candidate Party and Constituted committees may use these schedules to report a:
- **Type 1 Transfer**, which is money between a party or constituted committee and a candidate or candidate's authorized committee (i.e. "John Doe for Mayor").
 - **Type 2 Transfer**, which is money between two authorized committees solely supporting the same candidate (i.e. "Friends of Jon Doe" to "Citizens for John Doe").

If you have reported transactions as transfers that are neither Type 1 nor Type 2, our report must be amended to remove those entries from the transfer schedules. Such entries are properly reported on Schedule C for a contribution coming into the committee or Schedule F for a contribution that the committee is expending.

Q. Unitemized Contributions – What do I have to report when I receive a contribution?

- A. When a contributor makes a contribution and the aggregation of contributions are \$99 or less, it does not need to be itemized with name, address, etc. The contribution can be added together with other unitemized contributions as one transaction for "Total Unitemized Contributions". However, contributions from one contributor that exceed \$99 by itself, or in the aggregate for that election cycle or calendar year, as applicable, need to be itemized.

Q. Unitemized Expenses – When do I have to itemize expenses?

- A. For single expenditures of more than \$49.99 you need to provide the date, check number (if applicable), name & address of payee, amount and purpose code of the expenditure.

Campaigning

Q. "Paid for By" – When does a campaign have to use the term "paid for by ..." in political advertisements?

- A. NYS Election Law does not require attribution, where the sponsor's or payer's name is on any political advertisements ("paid for by"). However, if the ad refers to a federal candidate, the Federal Election Commission (FEC) does impose such a requirement. Additionally, Federal Communications Commission (FCC) regulations, radio/TV stations, and print media themselves, may impose an attribution requirement. Please consult with these appropriate federal authorities or media outlets for further information.

Penalties

Q. Correspondence/Legal Documents – What should a treasurer/candidate do if he/she receives correspondence/legal documents from NYSBOE.

- A. If you receive a letter or are served with legal documents from NYSBOE, do not ignore them. Contact NYSBOE immediately. There are significant consequences, for both treasurers and candidate, which may include penalties for failure to comply with the requirements of the NYS Election Law relating to campaign finance. Call NYSBOE at 1-800-458-3453 or (518)474-8200.

After the Election

Q. Campaign Materials – What are the requirements for submitting campaign materials to NYSBOE?

- A.** Any filer required to file primary, general and/or special election reports must, at the same time the applicable post-election campaign finance disclosure report is due, submit copies of all the filer's campaign materials, purchased or produced by or under the authority of the person filing the post-election report, or the committee or the person on whose behalf it is filed.

Campaign materials include all broadcast, cable or satellite schedules and scripts, internet, print and other types of advertisements, pamphlets, flyers, brochures, letterheads and other printed matter.

Submissions of campaign materials:

- Can include duplicate originals (e.g. posters, flyers, buttons, etc.) or legible photocopies;
- Must be hard copies, not electronic/digital files; and
- May be photographed when, for practical purposes they cannot be readily reproduced in a paper copy because they are large, unwieldy items (e.g. billboards, sandwich boards, etc.).

- A.** To resign as treasurer you must:

- File all required reports
- Have no negative balance in reports
- Request resignation with a CF-18 form
- Attach a letter of resignation
- Inform all boards, committee(s) and candidate(s), as applicable
- Continue to file until your resignation is approved

Retain records for five years. See “Winding Down the Campaign” on NYSBOE Campaign Finance section of website for more details.

- Have a \$0 cash balance in the account – no negative balance
- Have no outstanding loans/liabilities
- Submit any applicable evidence of indebtedness/forgiveness
- Request termination with a CF-18 form

OVERVIEW

To ensure fair and honest elections, New York State law provides for appointing Poll Watchers to observe voting at the polls. Poll Watchers are designated by candidates, political parties, or independent organizations which have candidates on the ballot and/or political committees.

The roll of the Poll Watcher is to observe elections at the polling sites on behalf of a particular candidate, political party or organization and where they observe irregularities, report these observations to either the Elections Inspector and/or the Board of Elections. New York State provides for 3 Poll Watchers per Election District at any one time from each candidate, political committee, or independent body.

POLL WATCHER QUALIFICATIONS

Poll Watchers must be qualified voters in Broome County. They must be certified in writing by a candidate, or a chairperson or secretary of a political committee or independent body and must present a certificate for each Election District to the Elections Inspector for that Election District. It is sufficient for a Poll Watcher to file one certificate which shall remain in effect throughout Election Day at the Election District appearing on the certificate. A facsimile of a Poll Watcher's Certificate appears on the reverse side of this guide.

POLL WATCHER RIGHTS

The Poll Watcher *may*:

- Be present at the polling place at least 15 minutes before the unlocking and examination of any voting machine or ballot box at the opening of polls, until after the signing of the inspector's canvass at the close of polls.
- Before any voter casts his/her vote, a watcher may challenge voters through the board of inspectors whom they believe are not qualified to vote.

- Examine active sheets (i.e. handwritten list) when the inspectors are not busy as long as they do not interfere with inspectors or election proceedings.
- Sit at a close proximity to the Inspector's table but not at it.
- Notify the Inspectors that they have observed an individual soliciting votes or electioneering within the polling place or within the 100 foot distance markers immediately outside of the polling place.

POLL WATCHER LIMITATIONS

The Poll Watcher *may not*:

- Be a candidate for public office to be voted for by the voters of the Election District in the same Election District in which the watcher is to serve.
- Electioneer in any manner.
- Assist in the conduct of the elections.
- Talk to the voters before or after they vote.
- Tamper with any election materials, including what is on the Inspector's table.
